

College Committee Student Representative Responsibilities

College Committees represent all four campuses at UICOM (University of Illinois College of Medicine). They are composed of faculty members, ex-officio's and **students**. Each committee makes **important policy decisions** within the area it addresses (i.e. admissions, instruction and appraisal, student promotions, research, student awards and scholarships). These decisions affect **you** and the rest of the student body.

By becoming a college committee representative, you have made the decision to represent the best interest of the **student body** at each committee meeting. The remainder of this document will guide you to the appropriate places in the UMSC Constitution where you can find information regarding **responsibilities, attendance** and **absences**. You can download a copy of the constitution from the UMSC web-site, URL is listed below.

Responsibilities	Article III, Section C, Part 2
Attendance	Article III, Section C, Part 1
Absences	Article III, Section G, Parts 4, 5

If you have questions or concerns, please e-mail the UMSC VP.
